

ONE and the American Society of Tropical Medicine and Hygiene (ASTMH) Sign Memorandum of Understanding to Advance Global Health Advocacy

July 16, 2026 – [The ONE Campaign](#) and the American Society of Tropical Medicine and Hygiene (ASTMH) are pleased to announce the signing of a new Memorandum of Understanding (MOU) establishing a collaborative partnership around the ASTMH 2026 Annual Meeting. Through this collaboration, the organizations will work together to strengthen advocacy for global health and tropical medicine, including co-organizing a pre-meeting Congressional Hill Day that will connect researchers with policymakers to highlight the importance of sustained U.S. leadership and investment in global health. The partnership reflects a shared commitment to advancing science, informing policy, and improving health outcomes worldwide.

About The ONE Campaign

ONE is a global, nonpartisan organization advocating for the investments needed to create economic opportunities and healthier lives in Africa. Since 2004, it has helped secure more than \$1 trillion in new investments that build a safer, more prosperous world. ONE's trusted advocacy combines hard-hitting data, grassroots activism and political engagement to influence decision-makers and drive lasting change. Learn more at one.org.

About ASTMH

The American Society of Tropical Medicine and Hygiene (ASTMH) is the largest international scientific organization of experts dedicated to reducing the worldwide burden of tropical infectious diseases and improving global health through research, education, and advocacy.
