Testing Center Admission Requirements

- Submit your confirmation notice (from Meazure Learning) to the proctor at the testing center.
- Bring a current, government-issued photo identification (ID) with signature (driver's license, immigration card, passport, U.S. passport card, state ID card or military ID card). You will NOT be admitted without proper identification. Examinees who fail to provide proper identification will be considered a no-show and will forfeit exam fees.
- Original documents (driver's license, immigration card or passport, etc.) are required. Copies or photos of original documents will not be accepted.
- Your first and last name on the confirmation notice must match the first and last name on your identification exactly.
- Nicknames are not acceptable.
- If you have more than one last name or a suffix listed on your government-issued photo ID, the same last names must be reflected on the confirmation notice.
- Presenting name change documentation (marriage license, etc.) at the testing center is not acceptable. Name change documentation must be submitted at least one week prior to your testing appointment if needed.
- Report to the testing center at the time indicated on your confirmation notice from Meazure Learning.

Speakers are internationally recognized authorities in the field.

Testing Center FAQs and Prohibited Items

Testing Center FAQs

- Cell phones are NOT permitted at the exam site. Any examination candidate with a cell phone in the exam room will be dismissed from the exam room immediately and denied re-entry.
- Smoking is NOT permitted at the exam site.
- Food and beverages are NOT allowed in the exam area.
- Personal items will NOT be allowed in the exam room and must be left outside of the exam room AT YOUR OWN RISK.
- The proctor will provide a dry erase board or scratch paper and a pencil for making notes. No items or papers may be removed from the testing center. You may NOT bring your own scratch paper, etc.
- Friends and relatives, including children, will NOT be allowed in the exam building.
- Please refrain from wearing colognes or perfumes as scents may disturb others in the testing center.
- Bring earplugs if you are sensitive to ambient noise. If you choose to bring earplugs, they will be subject to examination by the testing center staff.
- Computer-based testing facilities offer exam services to multiple agencies. There may be other individuals in the testing room with you who are sitting for exams from different organizations. The rules for their exam may be slightly different than the rules for your exam in terms of exam time and what is and is not allowed at their station.
- Computer-based tests are delivered via secure internet connections. Internet connections are subject to local internet providers. While it is not the norm, internet connections can, on occasion, be lost momentarily, requiring the proctor to log you back in to your exam. If you lose your internet connection, inform the proctor, who will assist you in logging back in to your exam. Upon logging back in to your exam, you will resume at the first unanswered question. Your exam time remaining will be exactly the same as it was when the internet connection was lost.
- Examinees are strictly prohibited from attempting to access any outside information, programs or websites while testing.

Prohibited Items

Examinees are expressly prohibited from bringing the following items to the test site:

- Cameras, cell phones, optical readers or other electronic devices that include the ability to photograph, photocopy or otherwise copy test materials.
- Notes, books, dictionaries or language dictionaries (except as expressly permitted by the exam sponsor; see the Additional Examination Specific Information in your confirmation notice email if applicable).
- Bookbags, luggage, purses or handbags.
- iPods, mp3 players, tablets, headphones or pagers.
- Calculators (except as expressly permitted by the test sponsor; see the Additional Examination Specific Information in your confirmation notice email if applicable), computers, PDAs or other electronic devices with one or more memories.
- Personal writing utensils such as pencils, pens and highlighters.
- Any eyeglasses with electronics, watches, smart devices and other jewelry except wedding or engagement rings.
- Weapons.
- Medicine, including cough drops (except as expressly permitted in advance), food and beverages.
- Coats and jackets.
- Coats and jackets, hats, hoods or other headwear are not permitted in the examination room unless required for religious purposes. All items are subject to inspection by the proctor if suspicious behavior is detected.
- Please note that sweaters and sweatshirts without pockets or hoods are permitted to be worn.

Test Site Appointment Cancellations, Rescheduling, and No-Show Policies

1. Examinees may cancel their testing session up to two calendar days in advance of their testing appointment.
 - The examinee must cancel their testing session through Meazure Learning's online test scheduling system AND notify **Buffy Finn**, Membership, Subgroups and Courses Manager at ASTMH.
 - Meazure Learning will charge a \$50 US cancellation fee to all cancellation requests made two or more calendar days in advance of the testing appointment.
 - ASTMH will charge a non-refundable \$100 US processing fee for all cancellations received before September 14, 2026. No refunds will be issued after September 14, 2026.
2. An examinee may reschedule their testing session up to two calendar days in advance of their testing appointment.
 - The examinee must reschedule through Meazure Learning's online test scheduling system, not through ASTMH.
 - Meazure Learning will charge a \$50 US fee to all rescheduling requests made two or more calendar days in advance of the testing appointment.
3. If the cancellation or rescheduling request is made fewer than two calendar days in advance of the testing appointment, the examinee will be considered a no-show and no refunds will be given by Meazure Learning or the ASTMH.
4. An examinee who does not appear for their testing appointment and has not contacted Meazure Learning to cancel or to reschedule will be considered a no-show and no refunds will be given.
5. In the following situations and with appropriate documentation, examinees may cancel their testing appointment with fewer than two calendar days' notice:
 - Serious illness (either the candidate or an immediate family member)
 - Death in the immediate family
 - Disabling accident
 - Court appearance
 - Jury duty
 - Unexpected military call-upHowever, the examinee will incur a \$50 US cancellation fee from Meazure Learning. Examinees requesting an emergency cancellation must notify ASTMH and Meazure Learning and provide appropriate documentation no later than five business days after the scheduled testing appointment.

CTropMed® Examination Study Guide

- Carefully review the **Examination Outline**. The approximate percentage of the total examination allotted to each major content area is indicated in parentheses.
- Answering the **Sample Questions** will help familiarize you with the nature and format of the questions on the examination.
- The **References** may be helpful in your preparation. This list is not intended to be exhaustive.

Scoring

The passing score is set by a national panel of experts in tropical medicine and travelers' health. Each question is reviewed by a respective expert. An informed judgment is made as to what percentage of minimally competent tropical medicine specialists would answer each question correctly. This deliberative and thoughtful process establishes a minimum level of knowledge expected of passing examinees. The judgments made by the expert panel are subjected to statistical analyses that yield a passing score approved by the Certificate Examination Committee. The passing score is based on an expected level of knowledge; it is not related to the distribution of scores obtained during a particular administration of the examination. In any given year an examinee has the same chance of passing the examination whether those taking the examination at that time tend to have high scores or low scores. Each examinee is measured against a standard of knowledge, not against the performance of the other individuals taking the examination.

Examination Results

ASTMH will notify examinees by email only and no later than December 15, 2026. Results will not be given by phone.

Receiving the CTropMed® Certificate

Examinees passing the examination and fulfilling all requirements will be allowed—by law—to designate that they have “Received a CTropMed® certificate from ASTMH” and will receive a certificate. Examinees passing the examination but not meeting all requirements will have their certificate held until all requirements are fulfilled. During this interim period, the examinee must not list or indicate in any way that they have “Received the CTropMed® certificate from ASTMH.”

Special Circumstances

Retaking the Examination

There is no limit on the number of times one may apply for and retake the examination. A new application form and all applicable fees are required for each re-examination application. If an examinee does not pass after three attempts, they will be required to show proof of courses or seminars taken to remedy areas needing strengthening.

Comparative Review

Examinees may request a comparative review up to approximately 30 days following ASTMH's release of candidate scores. Requests must be in writing and accompanied by payment in the amount of \$65 US. Please contact **Buffy Finn**, Membership, Subgroups and Courses Manager for additional information. The results of the comparative review will be completed within 30 days of receipt of the roster.

Reasonable Accommodations

- Reasonable accommodations provide examinees with disabilities a fair and equal opportunity to demonstrate their knowledge and skill in the essential functions being measured by the examination. Reasonable accommodations are decided based on:
 - individual's specific request
 - disability
 - documentation submitted
 - appropriateness of the request
- Reasonable accommodations do not include steps that fundamentally alter the purpose or nature of the examination.
- Reasonable accommodations generally are provided for examinees who:
 - have a physical or mental impairment that substantially limits that person in one or more major life activities (e.g., walking, talking, hearing and performing manual tasks)
 - have a record of such physical or mental impairment
 - are regarded as having a physical or mental impairment

To apply for reasonable accommodations, the examinee must request the accommodations in the application process and provide documentation that supports reasonable accommodations provided by an appropriate licensed professional on the professional's letterhead. The documentation must include a diagnosis of the disability and specific recommendations for accommodations.

Requests for accommodations

- Must be submitted no later than 45 days before the examinee's preferred testing window opens.
- Examinees must submit their scheduling request at least 30 days prior to their preferred test date within the testing window.
- It is recommended that this documentation be submitted at least 45 days prior to the preferred testing date.

PLEASE NOTE: It is your responsibility to provide supporting documentation from a licensed professional on the professional's letterhead along with your application. Failure to provide the required documentation at least 45 days prior to the examinee's preferred testing window may result in you not receiving the accommodations you are requesting.
